

Conscious Connections – Good Vibrations. Everything we see or touch in our third, more limited or more restricted dimension, actually exists and functions at a specific vibration, even tonal output. Then up to us as individuals, to turn set elements in our favour to secure a more refined molecular energy balance or allow each and every minute of each and every day to virtually remain at the whim of outside fluctuations influences. At The Mozesian Mentorship we assist people to take back control of their lives as a divine living right through ‘Long Distance Vibration and Tonal Tuning.’ At www.nextagemission.com we will offer a unique service connecting to good vibrations by utilising certain vibration connections. Even translate healing and readings to peoples daily lives. We use the more natural dowser technique to help, yet only if truly wanting this. The magic formula and compounds of water are included to remove negatives from within a deeper being!
