

BLESS BE THE "SONS OF JOSEPH... LEANING UPON THE TOP OF MY STAFF" -HEB 11:20

The term Sons of Joseph is another paper trail in the bible the horseman arbitrator might utilize and find encodings on. My staff had been Barb and Herod them, obeasts spawned from my infection. And From the blog "Dew (due) From Heaven:Light 2 U Blog," and from the NTE 2 Post on Hebrews 12:-

For horsemen in the Horseman Holocaust, "whom the Lord loveth he chasteneth and [also] scourgeth every [new] son [potential horsemen] whom he receiveth...if ye endure..." (Heb 12:6-7). For horsemen and the Horseman Holocaust, all washable creatures went through it, "if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons" (Heb 12:8). Of course, "no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby" (Heb 12:11). But you have a little understanding of what he's doing to you, example, removing the fake soul bottles, trust God and remember the prophecy of Armageddon whereby millions of horsemen still run to these evils to receive a spirit and forfeit their blessings, "rather be in subjection unto the Father of spirits, and live?" (Heb 12:9). Remember, in and when out of those May Den, "Follow peace with all men, and holiness, without which no man shall see the Lord" (Heb 12:14). Man is not an 'ass colt' (Job 11:12) for wearing or riding, have respect to where your existence sprang from and respect to those in authority; God hears without having a spirit and though with Isaiah 45:9 he can indirectly answer (2 Sam 23:11), moreover, the eyes go through the earth to reward righteousness of any. This was given concerning the "untimely figs" that marched to Armageddon and was burnt with fire from heaven, while musing in the mind prayerfully what would become of Barb them, "ye are not come unto the mount...and that burned with fire" (Heb 12:18); indirectly, seems they be persisting pass Armageddon and escape the Horseman Holocaust, stay in the May Dens provided, as all rebellious horsemen up and running wild will be gathered and burnt at that time or on the spot; "he for our [your] profit, that we might be partakers of his holiness" (Heb 12:10). While in the May Dens provided, don't try to pro-create, spirate or seek "ass colt" for any reason, refuse all evils in the den; die if you must, though without a silver (spirit, always existing), if you believe, faith is the principle thing, God is able to bring anything back into existence. Just to help your faith, the spirit is made of light, some angels can burn and melt that light entity, even with fires that burn beyond feeling in the natural realm, as depicted in the burning bush. Likewise, sound can be so loud it cannot be heard by humans. Likewise, all substances, hard, soft, liquid or non-liquid, gases, anything basically, is pure light, made of light like the spirit. So spirit is like ice from water, but also flesh is also another level of ice from water, but the notions before stand true that both are of light; as in the cone (flesh or hard materials) and the ice cream (spirit or light) are the same, edible (made of light). But only God, even with skills of Pillar 1 and 2 or mike flames, only God can manipulate all in existence in light or that level; e.g., travel in light-years, which is simply molecular breakdown of hard materials that reforms as is. Only God can function far far beyond the example of light years, that everything is light and possess-able to him, hence, if you believe and stand firm, even your fleshly existence he can make come back into existence if die or burnt. The principles of Christ and salvation are the same for all, "broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it" (Matt 7:13-14). Choose the narrow path, live righteously, choose right and shun all

evil!

The May-Dens: Concerning not coming to the mount that burn with fire, it also said, "nor unto blackness, and darkness and tempest" (Heb 12:18). Hence, it seems not dark, muggy, uncomfortable and evil. "Tempest," a place where you are tempted to evil, even with often lack. Protected as in defending the Lentiles, "if so much as a beast touch the mountain, it shall be stoned, or thrust through with a dart" (Heb 12:20). Beasts for Ab's, but more so, beasts (seraphim) seeking spare parts for pseudo wheels of the horsemen there. Hebrews 12:21 is the epitome, it is holy ground; and even seems defended there also by "an innumerable company of angels." But beware also, as with Armageddon, when you are up, there is the similar battle of "God and Magog" at end of 1000 year Sabbath with satan or another evil again fooling you to receive the spirit, how will you discern between that and the real thing? In waiting, study to show thyself approved, believe, pray and live righteously. Resist evil, all evil, having your mind discerning good and evil, should be able to taste perverse things (Job 6:30). When such a time comes to leave the May-Den your sentiments should be, "Let us go forth therefore unto him without the camp, bearing his reproach. For here have we no continuing city, but we seek one to come" (Heb 13:13-14).

Never want to touch it further, but keep opening can of worms. With much given in an intended book for angels, "Angels, Lets Talk" (found at: www.lulu.com/content/1136884, www.cafe-press.com/yahothniel, www.geocities.com/yahbloggist) If a planet is plausible, a drawn-out washing might be side stepped in this and a quote: Ancient Aryan cities are complete with Bricks, as the Mayan, as the Aztecs, so "There was never a time any people on the earth was uncivilized, the term is just concocted, in my estimation, by the elite to feel superior to another or even hold in bondage. Example, at one point black men weren't considered men, even 3/5 of a man [holding all things constant], but today that is obviously ridiculous, yet until this time it was correct. The notion then of an uncivilized people is erroneous, societies choose to live how they want. For instance, some Amerindians built great cities, while some dwelt subsistently" (O. M, Author and Minister). I guess thus far the horsemen race dwelt not as a people, as humans and God placing angels here (even in governments, etc), so the history, trials, etc. they shared was that of the former, not their own, which a planet starting such a race might foster. Being civilized or not is not the issue to short-cut the drawn-out washing but the element of sin, the familiarity thereof, after which having one's senses exercise to choose between good and evil; this is foster being left alone to exist as is, then have the option to choose a life of sin or not. As of now they have only existed as sublets or sub-entities of human and angel entities, as animals, yet possessing a human body, consciousness and intelligence; hence LACK "being left alone to exist as is, then have the option to choose." Having gone into Dens then when the "Mad Max" world arise when Christ returns, and they run wild upon the rest of the earth, they would have a little history of their own, being sort of left alone, leading to the would be Battle of Gog and Magog. That might cut short the drawn out washing of a planet, yet since encoded in scripture (Diana, Jupiter, Barnabas, Acts 14:12, 19:35) a planet might still be plausible. Not only me shouldn't touch it further, but anyone else and wait on that mediator. Shun all such that fabricate lies to do their own evils. Remember the prophecy. Remember the prophecy, prophecy, prophecy "Abstain from all appearance of evil...I pray God your whole ... body be preserved blameless unto the coming of our Lord Jesus Christ...Faithful is he that calleth you, who also will do it" (1 Thess 5:22-24). Remember, it be only a possibility by your actions and desire, God will always opt to prepare and make a way, but with or without sinister angels doing such, the individual being can forfeit by choice; though EA, Pig, etc would erode all this already by setting things off course with spices. So walk or strive like the saints to "walk worthy of the vocation wherewith ye are called" as if it be so already, that is faith and faith is what moves God and unrighteousness and evil does the opposite, so ultimately it is still up to this sect then, horsemen, and nothing set in stones; for "God is no respecter of persons" (Acts 10:34), how much more horsemen (Isa 45:9). Universally, "To day if ye will hear his voice, harden not your hearts" (Heb 3:15). The operative word there is "IF."
