RTRRT - INTRODUCTION

Copyright © 2007 by Klaudio Zic, all rights reserved. <http://www.lulu.com/astrology>

With the Real Time Reality Rendering Tools, one steps into a magickal world already while reading this invitation. Not everybody is invited¹, of course, as the demarcation line² was set exactly three long years ago, on January 11th 2005. Is your soul good? In perusing the RTRRT one distills³ one's own substance, rather than merely producing instant miracles.

Even a fool⁴ can produce miracles right here, right now, because *pliable is the substance of things*; but only an initiate will ennoble creation as well as lead *the other sheeps* towards the safe harbor as the last ship is sailing to the shores of the immortals⁵.

The prerequisites for the initiate are strangely modesty, lack of egotism and discretion. Modesty is magick in itself, or rather faith manifests as magick to an untrained eye. The RTRRT beginner and expert alike will easily materialize any situation according to their *best plans*. The purpose of our work is to present easy instant magick techniques along with elaboration, even higher initiation as proceeding from simple daily miracles⁶.

The RTRRT will grant every wish, thus be wise in wishing well!

¹We invite everyone but perhaps Providence has special plans for one.

²This date is often mentioned among the great apocalyptic pebbles cast back on our path.

³The True Mind Distiller is a special procedure that removes false ego if only for half an hour.

⁴Fool's luck beats the efforts of the expert much as true mind finally overruns false ego.

⁵See OSIRIS Initiation.

⁶We assume in *bona fide* that mostly everybody can produce daily miracles of different kinds.
