DRAGON SLEIGH

Long, long, long ago in a
Land far away
Dragons lived in the snow
Happy in every way
Santa needed help with his sleigh but
Rudolph hadn't been born, so
Dragons came and saved the day on
Christmas Eve in the morn

*Dragon Sleigh, see how it goes
Firing its way through the ice and the snow
Look at all of the dragons
Huffing and puffing away
Look at all of the dragons
Helping for Christmas Day*

All night they rode across the
Wide open sky
Lucky they were used to frost as
Snow clouds passed them by
Fire roared into the air
As they made their way, to
Every child who lay down there by
Early on Christmas Day

*Dragon Sleigh, see how it goes
Firing its way through the ice and the snow
Look at all of the dragons
Huffing and puffing away
Look at all of the dragons
Helping pull Santa's sleigh*

Then at last their work was done and
They returned to the pole, where
Santa gave them a drink and a bun and a
Slice of Arctic Roll
So the dragons took to the sky
Happy in every way, that
They had helped Santa by
Flying the Dragon Sleigh

OPTIONAL INSTRUMENTAL CHORUS

*Dragon Sleigh, see how it goes
Firing its way through the ice and the snow
Look at all of the dragons
Huffing and puffing away
Look at all of the dragons
Flying the Dragon Sleigh*
